

The purpose of the conference

The Department of Midwifery, Faculty of Health Sciences, The University of Ljubljana, which is the organiser of the international scientific conference, would like to emphasize the role of midwifery in the international context. Moreover, the purpose of the conference is also to outline national as well as international dilemmas and challenges at various fields of midwifery profession. It also encourages all participants to present their visions for the future that could improve midwifery care and by that the health and wellbeing of women, children and their families.
